FOREST REFUSE SITE
CLOSED AREA

The **Forest Refuse Site will CLOSE FOR THE YEAR on Monday (Labor Day) at 4:00 PM.** The closure is necessary because of problems maintaining turn around space.

Please help keep the site open through the weekend by dumping your material as close to the pile as possible. Sometimes it is even possible to unload on top of other debris that has been placed near the pile.

Thank you for the great work cleaning up Arrowhead!! If we have a "normal" winter without a large amount of blowdown, we should be able to keep the Forest Refuse Site open longer next year.

More information to come later on burning of the site after there is a foot of snow in December or January.
