

Mountain Living Update

March 22, 2009

Its early Spring time in the Rockies. The alpine road is mostly dry with water running on the sides. The creek is visible in several places as you drive up the alpine. The parking lot is showing more mud than snow now. Melting, sinking snow around the trees signals that spring is just around the corner.

The Fire House Games were held March 7th. Three teams competed with team #1 winning. The winners were Bill, Gary, Peggy, and Will. **Rich Ostrom** won the **chili cook off** with his recipe. It turned out to be a very snowy day for the participants but everyone had fun in the Arrowhead tradition of supporting the Fire Dept. The following pictures were taken by Linda Dysart.

THERE’S STILL TIME ON THE SURVEY!

The LRPC is so appreciative of everyone's response to the opinion survey. As of March 18th the committee has received 282 surveys– representing 343 lots! Many of you have taken time to include comments– which we will share with you, when we share the final results of the survey. If you haven’t sent in your survey yet- please do- your opinion matters!

THANK YOU!
 Deadline is April 1, 2009

The March Book Club ladies met to discuss the book *Seabiscuit* at the home of Diane Benson. Kathy Leary led the discussion. It was another wonderful day at Arrowhead and Diane set the tables with lime green tablecloths and orange tulips to entice the feeling of spring. Following along with the theme of the book she prepared “Red Pollard Punch”, BLT’s in the “Jockey Club” (aka their little library), Depression Era Stew and Sea salt Biscuits. Topping it off was the “Winners Circle Cake.” *photos taken by Cheri Ratliff.*
