NO POWER?

If your power is out don't hesitate to call Gunnison County Electric Association at 641-3520. This lets GCEA know if the outage is not isolated to one subscriber. Calling helps GCEA determine how large a crew to send for an outage plus it helps them determine what's happening. Also, do not be alarmed when you are connected by GCEA to 911 because their dispatching is now handled there.
