OWNER COMMENTS (*if unable to stay for remainder of meeting*)

None

OLD BUSINESS

1. AIA winter vehicle regulations update
 - a. Process and general timing – 10:01 Deb Hoven
 - b. Vote for adoption of final regulation will be at May meeting
 - c. Feb. 18th was last published version – 11:30 Warren Gore
 - d. Summary: likely elimination of hp and engine cc limit, but will still include a weight and width restriction and only allow off-highway vehicle (OHV) use on Filing Roads
2. Public comments on topic 12:52
 - a. John Huff – Read copy of email previously provided to the Board along with some additional addendums
 - b. Jim Gelsomini – question regarding elimination of a horsepower limitation
 - c. Jennifer Bonner– rebuttal to prior comment regarding street-legal vehicle: expressed concern about user responsibility
 - d. General comments by multiple people about speeds and user accountability
 - e. Jim VanKirk – request to keep changes simple and be aware of impact of changing technology; not allow vehicles licensed for highway use; consider grandfathering some vehicles
 - f. Jeff Wolkert – questioning vandalism claim; support for last published regs
 - g. Yvonne Reed – ATV speeds can be regulated by robot and speed sensors

- h. Jonnie Thompson – concerns about speed, safety, and operator responsibility; concerns about modified street-legal vehicles

 - f. Description of MCH packs and ACE Cap purpose and function
 - g. Improvements to the no-stump dump may delay its opening
- 4. Heavy Equipment/Maintenance – 1:16:16 Dennis Roberts
 - a. Thank crew for plowing and clearing roads to open especially with little advanced notice
 - b. Evaluate roads, additional funds set aside for gravel this year
 - c. Question about ditches and culverts
 - d. Grapple to be installed on the newer loader, may be on roads early to remove trees
 - e. Caution when seeing orange trailer since loader may be nearby
 - f. Show respect for heavy equipment operators. Driving on roads before they are officially open is not allowed and will be enforced in the future.

5. Outreach – 1:21:40 Leonard Wasilewski
 - a. Earliest date in recent years to grade and open roads
 - b. Contact Outreach about lots before bringing up trailers while snow is still present
 - c. May 31 parking lot closure. All vehicles must be removed by that date.
 - d. AIA snowmobile trailer is not operational
 - e. Wildlife – bull moose and wolf sighting, and bears may be emerging. Demonstrate caution.
 - f. Camp fire permits still required each year. Camp fires are permitted, not bonfires.
6. Elections Committee – 1:26:04 Leilani Pacheco-Nichols
 - a. Software evaluation underway for election software for on-line voting
7. Dust Mitigation Committee – 1:27:08 Ken Harbert
