According to the AIA Covenants, owners shall be entitled to one vote for each site owned. When more than one person or entity (Trust, LLC, Partnership or other form of legal entity) owns a site, the owners must designate, in writing, the individual who will exercise their vote. The designated voter's name must be on file in the AIA office. Please include the lot, block and filing of the property as well as the designated voter's current address. If this designation is already on file, and no changes have been made, it is not necessary to resubmit annually.

If you have moved or changed addresses, please make sure the AIA office has a current address on file.
