US 50 LITTLE BLUE CREEK CANYON IMPROVEMENTS

Significant US 50 road detours and closures start the week of April 19

KORTROFF & GUNNISON COUNTIES: Construction on the US 50 Little Blue Creek Canyon safety improvement project began yesterday. The work involves widening and resurfacing the road along the west side of US 50. The project location is between the intersection of State Route 124 (SR 124) and the intersection of State Route 125 (SR 125). The project is a safety improvement project along the US 50 corridor. It is estimated to be complete by November 4, 2021. The work includes widening, resurfacing, and traffic operations are anticipated to be in place during this time.

Due to the existing narrow right-of-way and the safety of the traveling public, the Eastern Highway Administration, Central Eastern Safety Highway Division (EHSAD) will be implementing a series of safety improvements on the US 50 corridor between SR 124 and the Colorado Department of Transportation (CDOT) to ensure that the safety improvements are in place.

The work includes widening with nearby communities, ranchers, and other stakeholders. These communities include:
